Requirements:

All volunteers must be at least 15 years of age and complete a basic orientation session before reporting for their first assignment.

Scheduling:

Volunteer hours are flexible. We encourage our volunteers to come in at any time during our normal operation hours.

If you have any questions, please contact our Volunteer Coordinator, Kathy Donlin, at 641-840-1686 or the shelter.

If you have special skills that you'd like to volunteer to benefit the shelter animals, please let us know. No act of kindness is ever too small.

Thank you for your interest in helping the animals!
